

MOHAMED OURHOUC

FRONT-END WEB DEVELOPER

Email: ourhouchmohamed97@gmail.com

Phone number: +212611717663

EXPERIENCE & PROJECTS

- I developed my skills in JavaScript by creating games such as chess, and I created a link-shortening tool using API, an email sender, etc...
 - I have created more than 20 professional websites, such as Travel websites, E-commerce stores, and others.
 - I had measurable success in increasing page loading speeds by 30% by optimizing my code, which resulted in increased website conversion rates.
 - Able to lead the implementation of a new front-end development system to reduce development time by 15% and increase website performance by 20%.
-
